EVENTS PACKAGE 2019

ONE GREEN ACRE | THE BANGALOW BOWLO

Located in the historical town of Bangalow, set amongst the beautiful hinterland, is One Green Acre at the Bangalow Bowlo. One Green Acre works collaboratively with small batch, local farmers and growers to produce local, seasonal food to share with the community.

Since 1910, The Bowlo has been a local gem, loved by the local community and synonymous with Bangalow. The collaboration between One Green Acre and the Bowlo is a natural partnership where they have created a warm and welcoming space for people to come and enjoy food with their friends and family. It is a partnership that is rooted in a shared love of local community, produce and simply

- good food.

ONE GREEN ACRE | THE BEGINNING

As a small child I worked many hours with my Swiss born Father, Gottlieb, on his One Acre plot in Bega NSW. I have always been passionate about garden to plate cooking, while learning the value of caring for the earth and giving back to the soil.

From guava to feijoa, my Father tried growing everything. Any extras were gifted, pickled, dried or preserved. Long days in the sun were spent with my Mother, who would take me fishing and prawning. I grew to understand the value of raising animals on the farm, and the care required to have a happy and healthy heard.

In time, One Green Acre will cultivate any spare soil to grow specialty items that we will share with you all in our cooking.

We will implement cooking classes, educational programs and produce a diverse menu of 'simply good food' for all families and children across the Northern Rivers and beyond.
